F. No DPCC/CMC-I/Revocation/2017/2451-2460

Dated: 22-12-2017

**OFFICE ORDER**

Consequent upon the decision of DPCC Board in its 64<sup>th</sup> meeting held on 23.06.2017, an office order was issued on 02.08.2017 with regard to the units which were issued closure direction and intend to either run the same unit or remove plant and machinery to close down the unit. Recently, air polluting units were issued closure directions for using unapproved fuel. Now, the units have intended to switch over to Piped Natural Gas. Therefore, in continuation to the existing policy, following policy is proposed, with regard to the units switching over to Piped Natural Gas (PNG).

- (i) After issuance of the directions for closure u/s 31(A) of Air Act, 1981, if the unit intends to switch over to Piped Natural Gas, the unit has to submit an undertaking stating that it will not run the unit till a fresh CTO/CTE is obtained and also to submit Environment Compensation Security for one year as given in the office order dated 02.08.2017.
- (ii) The unit shall be allowed for installation of Piped Natural Gas connections as well as operation of the unit only for safety checking of equipments, connections and monitoring of flue gas emissions in the stack. The unit shall also undertake that the facility for using the fuel oil / other fuel shall be removed within one month.
- (iii) The issued directions shall be modified for installation of PNG connections with reconnection of electricity.
- (iv) The directions of closure shall be made infructuous, once Consent to operate under Water (Prevention and control of pollution) 1974, and Air (Prevention and control of pollution) 1981, is issued to the unit.
- (v) This Office Order shall come into force with immediate effect and shall be complied by all concerned CMCs/Officials.
