F. No DPCC/CMC-I/RMC/2017/2596-2614

Dated: 27/12/2017

OFFICE ORDER

Consequent upon the decision of DPCC Board in its 64th meeting held on 23.06.2017, the following policy shall be followed henceforth with regard to the operation of Ready Mix Concrete Plants (RMC Plants) in NCT of Delhi:-

- (i) RMC Plants functioning from the agriculture land shall preserve the top soil before establishing the RMC Plant and the top soil shall be again laid after closure of the plant.
- (ii) Continuous dust /wind breaking walls of at least 3 meters above the maximum height of heap.
- (iii) Conveyer belts for transferring raw materials must be properly covered.
- (iv) Cement handling area must be provided proper channelization of air borne particles of cement and trapping in the bag houses.
- (v) All vehicles including vehicles carrying raw material/ ready mix concrete cleaned and wheel washed before leaving the site of RMC unit.
- (vi) All vehicles carrying raw materials like aggregates, dust, cement etc must be fully covered and protected so as to ensure dust from these materials does not become air borne during transportation.
- (vii) Raw material especially stone dust stored at site must be fully covered / keep wet all the time to avoid dust particles air borne.
- (viii) Roads, inside the RMC plant must be paved with cement concrete /asphaltic concrete and cleaned on regular basis. No dust to be allowed to be deposited on roads.
- (ix) Fine nozzle system to be provided for sprinkling the water to maintain the area dust free. No contribution of dust shall be allowed from the RMC plant to ambient air quality of atmosphere i.e Zero tolerance.
- (x) Every worker working at RMC plant site must be provided with dust mask to prevent inhalation of dust particles.
- (xi) Unpaved surfaces and area with loose soil must be adequately sprinkled with water to keep wet always.
- (xii) DPCC Board has decided in its meeting held on 23.06.2017, that DPCC may grant consent to these units as it is not a permanent activity and falls in green category with a rider to obtain approval of DDA with respect to MPD-2021. Subsequently, vide letter dated 07.09.2017, DDA has clarified that any action w.r.t. consideration of RMC Plant as activity may be taken by Environment Department Govt. of Delhi in view of following two points of MPD-2021

- As per MPD-2021 there is no terminology or premise as "RMC". RMC (Ready Mix Concrete) Plant is a temporary activity which is specific to the project/site. Due to the nature of the activity it is not feasible to earmarked specific sites for such use.
- As per the first para of the Annexure 7.0(III) Prohibited / Negative list of Industries of chapter 7.0 of MPD -2021 the following has been stipulated:"Industries manufacturing the following shall be prohibited within the National Capital Territory of Delhi. However, Environment Department,

Contd....2...

46
GNCTD in consultation with industries department, GNCTD shall take the final decisions to ascertain a particular activity /industry/factory/to fall under the said list as per the parameters/norms set by the CPCB and adopted by the DPCC".

Therefore Ready Mix Concrete plants in NCT of Delhi shall be granted Consent to Establish/Consent to operate as per the above policy. This Office Order shall come into force with immediate effect and shall be complied by all Officials of DPCC.
