F.No. DPCC/Lab(W)/2015-16/1485

Dated: 04/12/2017

To,

Notice Board- (to upload on the DPCC Website)

SECRET

Sub:- Strengthening of DPCC Laboratory.

Sir,

DPCC is in the process of development of its laboratory as a "State of Art laboratory". Hence, following activities have been identified so as to set up a modern State of Art laboratory:-

(A) Development of laboratories with following functional areas.

1. Water & Waste Water Laboratory.
2. Air Laboratory.
3. Bio Science Laboratory.
4. Treatability Laboratory.
5. Trace Organics.

(B) Recognition/ Certification/ Accreditation.

1. Recognition under EP Act (1986).
2. ISO:9001
3. NABL: 17025
4. OHSAS: 18001

In view of above, proposal is invited for preparation of bid documents, tendering process, preparation of specifications of instruments, qualifying requirement, modernization & designing of "State of Art laboratory" as per guidelines of CPCB, MOEF and International Systems. This also include civil & architectural work, purchase of furniture, electric work, construction of cabins etc. The supervision has to be done by the party during installation & commissioning. The proposed work will be on turnkey basis. The list of instruments will be provided by DPCC

After development/ setting up of laboratory, Certification/ Recognition/ Accreditation as per "B" have to be obtained from concerned agencies/ departments.

You are requested to submit consolidated proposal, scope of work and Terms of Reference (TOR) in the office of DPCC within 3 weeks after date of issue of letter.

Thanking You
