Dated: 30/9/16

**OFFICE ORDER**

Subsequent to the promulgation of Bio-medical Waste Management Rules 2016 w.e.f 28<sup>th</sup> March 2016, certain issues were discussed by the Delhi Pollution Control Committee in its 62<sup>nd</sup> meeting held on 11.8.2016 and the following decisions have been taken.

1. Non-bedded HCFs are required to pay one-time fee of Rs.5000/- at the time of applying for authorization in Form II of the BMW Rules, 2016.
2. Registration of Delhi Medical Council (DMC) is a pre-requisite for all the doctors/clinics while applying for authorization in Form II.
3. Approved synchronization of validity of authorization under BMW Rules, 2016 and consent under Air & Water Acts. When a HCF completes either of this validity period earlier, the HCF is required to apply for both authorization as well as consent. Validity of both consent and authorization will be for a period of five years.

Apart from the above, it is now decided to do away with this practice of giving time to HCE to submit noise monitoring report(s), of DG Set(s) if any, after the issuance of authorization under BMW Rules from now onwards.
