

OFFICE ORDER

It has been decided that the following system of security from the defaulting industrial units, would be enforced by DPCC with immediate effect. The security will be taken in the shape of Bank Guarantee:-

- a) Bank guarantee of Rs. 1,00,000/- against the polluting units which are discharging effluent amounting to 10 KLD or more.
- b) Bank guarantee of Rs. 50,000/- against the polluting units which are discharging effluent below 10 KLD.
- c) Bank guarantee of Rs. 50,000/- against units for not using/ having ECS or not having installed the acoustic treatment w.r.t the D.G. set.
- d) Bank guarantee of Rs. 1,00,000/- if Hazardous Waste Management measures not taken for providing leak proof container, keeping records of hazardous waste generation and proper storage of hazardous waste at the site.
- e) Bank guarantee of Rs. 25,000/- in case of minor deficiencies e.g. display board size not as specified one, or not keeping it up-to-date & other relevant information not provided in the display board.

The period of Bank guarantee will be for six months. The defaulting unit will be inspected within six month of expiry of the Bank Guarantee. In case of unit found not complying to the directions given by DPCC, the amount will be forfeited.

This issues with the approval of the Chairman, DPCC.
